

**The Iowa Section  
Collegiate Mathematics  
Competition  
Matched Donations Campaign**

October 29, 2004

The Iowa Section of the Mathematical Association of America is pleased to announce a matched donations campaign to support the Iowa Collegiate Mathematics Competition. The Competition, in its tenth year, is a three-hour team competition administered by the Iowa Section of the Mathematics Association of America in late March or early April of each year.

**Stephen J. Willson**, Professor of Mathematics at Iowa State University, has generously agreed to match \$5,000 in donations received before May 1, 2006. During this spring's Section meeting, our members donated close to \$1800. I encourage you to share this information with your department and consider sending a donation. Our goal is to reach \$5000 by May 2006; we cannot do this without your help.

All donations are tax deductible; you will receive a receipt for income tax purposes. Complete the form on the back of this letter, and send it with your donation to the Iowa Section Treasurer:

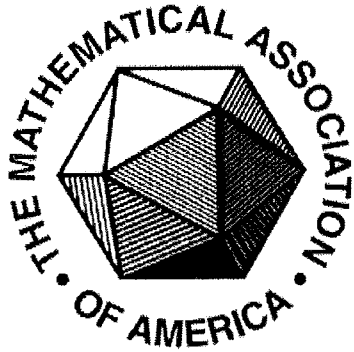

Professor Wendy Weber

Please direct all questions to the Iowa Section Treasurer.

Thank you for your support,

Wendy A. Weber
