Re: Board of Governors Election, Iowa Section

---

In February, ballots were mailed to the members of the Iowa Section with the following nominees for the office of Sectional Governor:

James (Jim) Freeman  
Calvin (Cal) Van Niewall

All votes received by March 15, 2004 were counted independently by two members of the headquarters' staff and verified by the Executive Director.

As a result of this election, **James Freeman** has been elected Governor for the period July 1, 2004 – June 30, 2007.

Information concerning the number of votes cast for each candidate has been sent to the Secretary/Treasurer of the Section.
