

February 16, 1982

Dear Colleagues:

Enclosed you will find the details for our 1982 Iowa Mathematics Meetings to be held on March 26 and 27 at the Hall of Science on the campus of Grinnell College in Grinnell. Once again we will be meeting jointly with the Iowa Sections of SIAM and ASA. Our Chairperson-Elect, Ed Hill, has arranged the program in conjunction with these organizations, and we hope you will find it both interesting and useful. In order to defray the costs of refreshments and other expenses we will have a registration fee of \$2.00 for those attending the meetings.

Please note the social function on Friday evening. This is a new feature that we hope will prove popular. Also, there will be an opportunity to order MAA publications at a discount of 20% off member and list prices.

At our business meeting, we will choose a new Chairperson-Elect. The nominating committee consisting of Robert Hogg, August Waltmann, and Elsie Muller has nominated Basil Gillam of Drake and Lynn Olson of Wartburg for this office. Short biographies of these candidates appear below.
