DEPARTMENT OF MATHEMATICS
AND COMPUTER SCIENCE

December 21, 1982

Professor Edward J. Peak, Jr.
Department of Mathematics
Iowa State University
Ames, Iowa 50011

Dear Jim:

Ed Hill appointed A. M. Fink, John Friedell and me as members of a nomination committee for the Iowa Section MAA. He asked me to serve as Chair and to report our nominations to you. Our Iowa Section Chairman-Elect nominations are:

Professor Leland D. Graber - Central College
and Professor Wayne L. Woodworth - Drake University.

We have informed Al Willcox that our nominations for Iowa Section Governor are:

Professor John C. Friedell - Loras College
and Professor Donald V. Meyer - Central College

All were contacted via the telephone and have agreed to serve if elected. I shall assume that you will have appropriate ballots prepared for the Chairman-Elect election to be held at Ames on April 22-23 unless you ask that I do this.

Happy holidays.

Sincerely,

William L. Waltmann, Ph.D.
Professor and Chairman
Department of Mathematics and
Computer Science

CC: Edward T. Hill
