Dear Ed:

Enclosed are a map of the Grinnell College Campus, simplified map of the town, and list of area hotels and motels. You can combine, digest, reproduce, excerpt, or whatever. If you take the schematic map and put in the Science building northeast of Herrick Chapel, you will probably have something with the greatest utility. I don't think there is any reason to list anything except the motels in Grinnell. The Motel Grinnell is probably the most convenient and nicest of the four.

Let me know if I can get you anything else.

Sincerely,

Annie
