West Des Moines, Iowa 50265

Dear Mr. Nicholson:

On behalf of the Iowa Section of the Mathematical Association of America I want to express our appreciation for your participation in our annual meeting this year. This was the greatest number of student papers we have had on the program for several years and we felt that it made a substantial contribution to our program. We hope that the experience you gained in preparing your presentation will be one that you will treasure and will lead you into future investigations in mathematics.

It was a difficult task for the officers of the section to choose three students to receive memberships in the MAA. Our selection consists of: Donald Nicholson, Iowa State University; Grant Izmirlian, Drake University; and Doug Jaynes, Iowa Wesleyan College. We especially congratulate these three but feel that all of the presentations showed significant effort and learning on the part of the presentors.

Sincerely,

E. James Peake, Jr.  
Secretary-Treasurer  
Iowa Section MAA
