Washington, D.C. 20036

Dear Professor Willcox:

I wish to inform you of a change in the Nominating Committee for the Iowa Section.

I have appointed Timothy Robertson, Department of Statistics, University of Iowa to replace John Friedell of Loras College.

Sincerely,

Edward T. Hill
Chmn., Iowa Section

Jim —

We had to make this change because Central Office did not want Friedell on the Nominating Committee and a nominee.
