

March 29, 1984

Dear Colleagues:

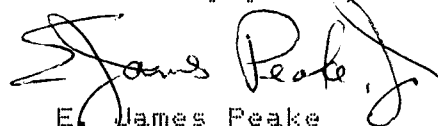

Enclosed you will find the details of our 1984 Iowa Mathematics Meetings to be held on April 13 and 14 in Whitehouse Business Center on the campus of Wartburg College in Waverly. The program has been arranged in conjunction with the Iowa sections of SIAM and ASA and we hope you will find it interesting and useful. A nominal registration fee of \$2.00 will be charged those attending to help defray expenses.

This year the Friday social function will be held in the home of Lynn Olson, located at 608 3rd Ave., NW, from 7:30 to 10:30 P.M. Directions will be available at the meeting Friday afternoon. If you arrive late, call 352-2548 for assistance. A contribution of \$2.00 will be requested from those participating to cover the cost of refreshments.

At our business meeting we will choose both a new Chairperson-Elect and a Secretary-Treasurer. The nominating committee consisting of James Cornette, Don Pilgrim, and Augusta Schurrer has nominated Gregory M. Dotseth from the University of Northern Iowa and George N. Trytten from Luther College for the office of Chairperson-Elect. This person will arrange the program for the 1985 meeting and then become Chairperson next year. Alan J. Heckenbach from Iowa State University and Michael H. Millar from the University of Northern Iowa have been nominated for the office of Secretary-Treasurer which has a term of 3 years.

We will again be holding a section book sale providing an opportunity for both members and non-members to buy MAA publications at a 20% discount.

Cordially yours

E. James Peake
Secretary-Treasurer
