Dear Jim,

Thanks for your letter of Oct. 17. I don't seem to have a copy from the MAA President concerning a public information representative. I may have lost it or misplaced it, but I don't remember receiving such a note. Would you send me a copy?

Anyway, how do you think the representative should be chosen? Do we need a meeting of the executive committee? Can we settle this by mail? Who should call such a meeting. Does the representative have to go to the annual meeting?

Concerning the MAA records, I think it would be great to have ISU's library store them. The choice of ISU is arbitrary, of course, but I see no real reason to choose one library over another. It seems to me that if they are willing, we're in business.

I'll look forward to hearing from you again.  
Thanks.

Sincerely,  
Don
