Dear Professor Peake,

Congratulations on becoming the new Secretary-Treasurer of the Iowa Section of the M.A.A. Would you believe I'm already asking favors?

1. Basil B. had dittoed copies of the General Duties of the Officers and The By-Laws. If you have them, will you please send copies to Frank Kosier. He may appreciate having them.

2. I'd like to know who has served on the nominating committees in recent years. If you have record of that, could you send me the members of past committees so I don't duplicate them again next year?

Thanks so much. Keep in touch if I can be of any help.

Sincerely,

Ronald V. Meyer.
