Dear Arnold:

I checked with Harry Horner who is a member of the IAS board on our campus. The board's September meeting was cancelled because the President was out of state. A meeting has now been scheduled for Saturday, Nov. 1, at UNI. Apparently our request is on the agenda. You might contact Hufferman to verify this and help him understand our position. Academy people to whom I have talked seem somewhat sympathetic but are not sure how to handle the situation. As long as we get things decided by December 1, there should be no problems with our schedule.

Best regards,

Jim Peake
