18 January 1980

Prof. Frank Kosier, Chairman  
Iowa Section of the Mathematical  
Association of America  
Department of Mathematics  
State University of Iowa  
Iowa City, Iowa 52240

Dear Frank:

The Nominating Committee of the Iowa Section of the MAA, appointed by you, submits the following nominees:

For Governor, July 1, 1980 to June 30, 1983:

John C. Friedell, Loras College, Dubuque 52001

William L. Waltmann, Wartburg College, Waverly 50677

For Chairman Elect, 1980-1981, Chairman, 1981-1982

Gregory M. Dotseth, University of Northern Iowa, Cedar Falls 50613

A. M. Fink, Iowa State University, Ames 50011

All of the candidates have agreed to stand for election. Al Willcox of the national office has been notified by telephone, and, by copy of this letter, is notified in writing. I understand that Arnold Adelberg's election as chairman-elect last year automatically makes him chairman this year.

The combined MAA, SIAM, American Statistical Asso. meeting this spring is very attractive and I look forward to seeing you there.

Respectively,

*James L. Cornette*
