

Because the Board of the Iowa Academy of Science has recommended "to the Iowa Chapter of the MAA that they no longer function as the Mathematics Section of the Academy" it is moved that we submit for vote by mail ballot to the members of the Iowa Section of the MAA the following motion:

Motion: The Iowa Section of the MAA shall no longer function as the Mathematics Section of the Iowa Academy of Science.

---

~~Motion: If the above motion passes~~

The Executive Committee of the Iowa Section of the MAA is instructed to make every effort to negotiate in a constructive manner our holding meetings at the time and place of the Academy meeting; and consistent with our interest in joint meetings with SIAM and ASA.
