Professor of Mathematics

Dear Professor May:

I had hoped and intended to secure additional information on the Iowa Section history, as you requested of me in October, but it has been impossible for me to do so.

I am enclosing a complete list of Officers of the Iowa Section as they are readily available back to 1946. I will have to leave the affairs of the Iowa Section in the hands of the new officers including Dr. B. E. Gillam as Secretary.

Sincerely yours,

Earle L. Canfield
Dean
