

May 16, 1958

Mr. Lloyd H. Montzingo  
Assoc. Secretary, Math. Assn. of America  
University of Buffalo  
Buffalo 14, New York

Dear Mr. Montzingo:

Please find enclosed a report of the Iowa Section meeting held April 18 at Drake University, the form for reporting newly elected officers, and the form for reporting time and place of our next meeting. I hope you will find these in order.

Will you please have sent to us a supply of pamphlets describing the Mathematical Association of America and application blanks to the Association. Also, I believe we could use abstract paper forms if you have them. Thank you.

Sincerely yours,

Earle L. Canfield, Sec'y  
Iowa Section MAA
