Mr. Lloyd J. Montzingo
Associate Secretary
The Mathematical Assoc. of America
University of Buffalo
Buffalo 14, New York

Dear Mr. Montzingo:

Please find enclosed the report of
the April meeting of the Iowa
Section.

May I please have an additional
supply of MAA applications and
descriptive brochures.

It would appear at this point
that I probably will be the chapter
officer attending the meeting at
Vancouver, B. C. in August.

Sincerely yours,

Earle L. Canfield
Dean
