

April 28th

Dear Dean Canfield:

I have today a letter from Professor Blumenthal giving statement for expenses, \$47.00 (\$35.00 mileage, \$12 hotel)

I thought at the time you handed the check to him, he examined it rather closely!

I certainly didn't suppose we would have guessed so far from what he would regard as satisfactory. I suppose another check must be sent.

yours truly
Arthur N. Bliss
