Dear Professor Gillam:

I am sure that you are interested in the final results of the excellence in teaching awards in mathematics for the Iowa Academy of Science. Professor Robertson made the following ratings: 1. Thurow, 2. Gilbert, 3. Huegli, 4. Mosher. My ratings were as follows: 1. Huegli, 2. Thurow, 3. Dunsmoor.

Consequently, I reported to Professor David McCalley that Leroy Huegli of Osage, Iowa is the top candidate with Mrs. Alice Thurow of Melvin, Iowa and Mr. E. Wm. Gilbert of Waterloo tying for second place. I haven't been able to reach Professor McCalley by long distance, and therefore, I am mailing the results to him.

Thank you very much for your assistance in selecting the candidates.

Cordially,

Elsie Muller
