Dear Basil:

I authorize payment of the enclosed compensation request from Charles Lindsay. Charles is only charging for gas costs and not asking for 10¢ per mile. I assume that a 65\$ bill would wipe out our lecturership funds, so even though I dislike doing it, I recommend that we recompensate the \$29.75 bill submitted by Charles. If you think we could pay him a bit more, go ahead and do it.

Sincerely,

Don
