

2024 KYMAA Distinguished Teaching Award Nominations

Every year the KYMAA recognizes one of its own for excellence in teaching mathematics. KYMAA's Distinguished Teacher award winners are recognized as extraordinarily successful in their teaching. They foster curiosity and generate excitement about mathematics in their students.

For this award, teaching is to be interpreted in its broadest sense, not necessarily limited to classroom teaching. It may include activities such as preparing students for mathematical competitions at the college level like the Putnam Prize Competition or the Mathematical Contest in Modeling, attracting students to major in a mathematical science or to become Ph.D. candidates, working with pre-service or in-service teachers, etc. More information can be found [here](#).

* Indicates required question

1. Email *

Eligibility

2. Is the Nominee a community college, four-year college, or university instructor who teaches mathematical science courses at least half-time during the academic year (in the previous year, if on sabbatical) in the state of Kentucky. *

Mark only one oval.

Yes

No

3. Does the Nominee have more than four years of experience in teaching in the mathematical sciences. *

Mark only one oval.

Yes

No

Nominee's Information

4. Nominee's Name *

5. Nominee's School Institution *

6. Nominee's Email Address *

7. Nominee's Number of Years Teaching *

8. Is the Nominee a member of the Kentucky Mathematical Association of America? (This * is NOT required).

Mark only one oval.

Yes

No

Unsure/Maybe

Nominator's Information

9. Nominator's Name *

10. Nominator's Institution *

11. Nominator's Email *

Nomination Submission

12. Write a one- to two-page letter that describes why the nominee deserves the award. *
- This can include some of the following information plus any other relevant details about the nominee:

- (1) Background and experience, (2) Special contributions, (3) Teaching style,
- (4) Students mentored.
