Annual Meeting of the Kentucky Section of the MAA
Kentucky State University, Frankfort, KY
March 27-28, 2009

Contributed Talks Abstract Submission Form
All information must be received by **February 25, 2009.**

All contributed talks will be scheduled for 15 minutes (including time for questions). Please submit your name, affiliation, title, and abstract **in the format illustrated in the example below**. You may attach this form to an e-mail or simply type all of the information directly into an e-mail and send it to Will Harris at wharris@georgetowncollege.edu. If you have any questions, please call Will Harris at 502-863-7921.

An Example of an Ideal Abstract Submission:

James Barksdale, Western Kentucky University
A Plane Polygonal Law
The Pythagorean Theorem, the Law of Cosines, and the Parallelogram Law all illustrate the concept of a *plane polygonal law*. This presentation establishes a result which details how certain (homogeneous) plane polygonal laws create/imply other (consequential) plane figure laws.

I am: ____undergrad ___grad student   ____faculty   ____industry/business
