1. Welcome to Minah Oh as the new section rep to the MAA congress.
2. Election of Ray Cheng as the new Program Chair.
 - (a) Election is unanioums, but Ray must **resign in disgrace** from at-large position.
3. Replacements sought for Chase Mathison as Secretary and Phil Poplin as Treasurer.

5.1 Future Meetings

1. The Fall 2026 section meeting will take place October 30-31 at Randolph-Macon College in Ashland, VA. The Spring 2027 meeting will likely take place at the Virginia Military Institute, with dates to be determined. We are always looking for meeting sites, so do think about hosting one of these yourself. The organizational chores are, admittedly, formidable, but the rewards are pretty great too!

5.2 Other business

1. Thanks to Marggie Gonzalez-Toldeo for local coordination of Spring meeting.
2. Attendance seems to be declining. Perhaps scheduling and end of semester crunch for students was to blame for this meeting's attendance. Advertising might be an issue.

6 Open Discussion

1. (Dan Kalman) Motion to thank FCC for hosting meeting.
 - (a) Unanimously passed
2. Does Section/Project NEXT have an email list so that members can stay in touch/connect?
 - (a) Issue should be brought to Jennifer Maggee (Section NEXT coordinator)
 - (b) There was also no section next program/workshop at this meeting, perhaps should have one in the future.
 - (c) Should use section next to attract faculty from community colleges as well.
3. Email list of departmental contacts in the section - We have 4 year colleges/universities, but if you can help to get complete contact list (in particular for community colleges), email Ray Cheng.

7 New Business

1. None
