

# Maryland-DC-Virginia Section Mathematical Association of America

## Special events for Section NExT fellows Fall 2001 meeting

These events will not be published in the regular meeting program.

### **Friday, October 19<sup>th</sup>:**

4:00 – 6:00 p.m. Professional development workshop: the Mathematical Sciences Digital Library

Led by Doug Ensley of Shippensburg University, Editor of Online Collections for MathDL. The workshop will be held in the Math Emporium on the Virginia Tech campus.

6:00 – 7:00 p.m. Reception and registration for the Fall Section meeting

7:00 – 9:00 p.m. Dinner and invited address: Bonita Saunders, “Effective 3D Visualizations for the NIST Digital Library of Mathematical Functions Project”

Both of these events will take place at the Four Points by Sheraton and are part of the general Section meeting.

9:00 p.m. Social event for NExT fellows and graduate students

We will have tables reserved in the lounge area of the Sheraton, where there will be music with a DJ, and a bar – and it’s ladies’ night! Please come and bring your friends.

### **Saturday, October 20<sup>th</sup>**

10:00 – 11:00 a.m. Panel on mathematical research by undergraduates – McBryde Room 223

Professors Martha Siegel of Towson University, Bud Brown of Virginia Tech, and Len VanWyk of James Madison University will discuss their experiences supervising undergraduate research – both during the academic year and in summer REUs.

11:50 – 1:00 Lunch. Look for the Project NExT tables, and enjoy lively discussion with other fellows and mentors.

For the rest of the day on Saturday, you are free to attend the Section activities: contributed and invited papers, book displays, the business meeting and award ceremony, and a special paper session by graduate students in the Section. See the meeting web site for information:
