

MD/DC/VA Section NExT Spring Meeting 2003
Norfolk State University, Norfolk, VA

Our meeting will be held alongside the sectional meeting of the MAA at Norfolk State University in Norfolk, VA on April 11-12. Our schedule allows participants to attend most of the sectional meeting as well as the Project NExT program.

Friday evening, 8:00-9:00: Panel on the Education of and Career Opportunities for Nontraditional Math Majors. (By "Nontraditional" we mean majors that are not planning to teach high school or go to graduate school.) This session will be in Scott/Dozier Dining Hall.

Saturday 10:00-10:50 AM: Panel on "Preparing for a Permanent Position". Our three panelists are Dave Carothers (James Madison University), Ann Commito (Frederick Community College) and Eve Torrence (Randolph-Macon College). After each of the panelists share from their experiences concerning professional advancement and/or tenure, we will open the session for your questions. Since this panel is only for the Section Fellows and their mentors, it may not be listed in the regular meeting program. This session will be in Room 124, Madison Hall.

Saturday at lunch: At lunch, we will have a special area reserved for the Fellows and their mentors.
