

**The History of Mathematics
Special Interest Group of the
Mathematical Association of America**

is pleased to announce its eleventh annual

Student Paper Contest in the History of Mathematics

This contest is open to all undergraduate students^π

The purpose of this contest is to increase awareness and interest in the history of mathematics among undergraduates, and to encourage students to learn more about an area in the history of mathematics of their choosing.

First and second places winners will be chosen.

Winners will receive a one-year student membership in the MAA and the Canadian Society for the History and Philosophy of Mathematics. Winners will also receive selected historical titles from Johns Hopkins University Press.

^π Students who have graduated less than a year ago, but wrote their paper while still an undergraduate may also participate.

Submission Guidelines and Deadlines:

- Topics can be drawn from any field of mathematics.
- Papers can address a single person or topic, or be an historical survey of a topic or school of thought.
- Submissions should be approximately 5000 words (approximately 12 double spaced 12 pt. pages) in length
- Submissions should be in a single PDF file, including a cover page with title, name, school and full contact information.
- Papers should include a full citation list
- Papers should not draw too heavily from web sources[§]
- Submissions should include a cover sheet with: your name, the paper's title, your institution, supervising instructor if applicable, and email and permanent postal address.
- Please submit electronic copy to the addresses below.
- Students submitting a paper need not be currently taking a history of mathematics course.
- Single-authored papers only please.

Deadline for submission is March 19, 2014

Papers will be judged by a panel of specialists for content, originality, and presentation.

Results will be announced via email and on the HOM Σ website in May.

Submissions and questions can be directed to
