

Call for Abstracts
Contributed Paper and Poster Sessions
2019 MAA Metropolitan New York Annual Meeting
New York City College of Technology
Brooklyn, New York
Saturday, May 4, 2019

The Metropolitan New York Section of the Mathematical Association of America (MAA) is soliciting abstracts for the Contributed Paper and Poster Sessions of its 2019 Annual Meeting to be held on Saturday, May 4, 2019, at the New York City College of Technology, located in downtown Brooklyn. This meeting is co-sponsored by the New York City College of Technology. All interested professionals in academia and industry, as well as college and high school students, are encouraged to submit an abstract. The Contributed Paper Sessions will feature presentations on mathematics education and research in pure and applied mathematics, including data science and big data applications. There will also be a Poster Session at the meeting.

College and high school students are especially encouraged to submit an abstract discussing their experience with mathematical research. The Poster Session will be a good venue for high school and college students to have poster presentations. Student presenters will have their meeting registration and luncheon fees waived. Teachers, please encourage your students to present!

Paper presentations will be ten minutes in duration followed by a three minute question and answer period. All presenters will be recognized in the final conference program.

Abstracts received by **Monday, March 27, 2019** will receive full consideration. You can submit your abstract using the following [**Abstract Submission Form**](#).

A committee of reviewers will review all abstracts, and acceptance emails will be sent by Monday, April 8, 2019. For additional information regarding the Contributed Paper and Poster Sessions, please contact Boyan Kostadinov at bkostadinov@citytech.cuny.edu.
