AMERICAN MATHEMATICS COMPETITIONS

AMC 8 • AMC 10 • AMC 12 • AIME • USAMO

The American Mathematics Competitions (AMC) is dedicated to the goal of strengthening the mathematical capabilities of our nation's youth. We believe that one way to meet this goal is to identify, recognize and reward excellence in mathematics through a series of national contests called the American Mathematics Contest 8 (AMC 8), the American Mathematics Contest 10 (AMC 10), the American Mathematics Contest 12 (AMC 12), the American Invitational Mathematics Examination (AIME), and the United States of America Mathematical Olympiad (USAMO).

Organized by

AMC Coordinator, MAA-Michigan

Ada C. Dong, Ph.D.
