To: Mathematical Association of America members living in Michigan  
From: Ken Schilling, Secretary/Treasurer, Michigan Section, MAA  
Re.: Michigan Section Dues

The Executive Committee of the Michigan Section of the Mathematical Association of America invites you to support collegiate mathematics in Michigan by becoming a dues-paying member of the Michigan Section. As a member of the MAA living in Michigan, you are automatically a member of the Michigan Section. To support the activities of the Section, you are invited to pay additional voluntary dues of $15 (regular membership), or $30 (sustaining membership). Please note that this payment is separate from the registration fee for the annual Section Meeting. Collegiate mathematics institutions in Michigan are also encouraged to pay annual voluntary dues of $40 (small institution) and $70 (large institution).

Recent activities of the Michigan Section include:
- Michigan Mathematics Prize Competition (MMPC)
- Support for Project NExT
- Upper Peninsula Regional meeting at NMU
- Section Newsletter, online twice per year
- Section Award for Distinguished College/University Teaching of Mathematics

Funding for these and other activities is derived from the voluntary section dues. As you can see, the modest amounts of $15 or $30 enable the Michigan Section to be extraordinarily productive. Since we operate on a very stringent budget, the timely collection of section dues from individual members is critical. We are therefore asking that you send your dues at this time so that we can fund the Section’s 2019-20 activities. Please don't wait until next spring.

Once again, you have the option of paying your Section dues online. Online payments should be made through PayPal (www.paypal.com) and sent to the email address MichiganSectionDues@gmail.com. If you prefer to pay by check, instructions for mailing your payment are included below. We thank you in advance for your support.

If paying by check, please make your check payable to Michigan Section, MAA, and send it with the form below to Kenneth Schilling, Treasurer, Michigan MAA, Mathematics Department, University of Michigan-Flint, 303 E. Kearsley St., Flint, MI 48502.

**Michigan Section MAA Dues, 2019-20**

Name: ____________________________________________
Institution/Employer: __________________________________
