We are grateful to the University of Tulsa who placed a full-page advertisement in the newsletter.

Approximately 158 meeting reminders and 139 postcards were sent; 8 chairs contributed campus news. There is a general decreasing trend in the number of postcards mail and campus news submitted by year. The national office was often slow to respond, so except for the last emailing, various sources were used for the addresses. I encourage the members to pay their dues and update their contact information on the combined membership list. (Several emails and postcards will bounce back.)

We are about \$0.60 in the red. I estimated \$150 in advertisements so I only ordered 70 paper newsletters. The newsletter is also readable on the sectional website using a mobile device.

I appreciate the help provided by Dale Alspach, Mike Dougherty, Kristi Karber, Ron Smith, Lee Turner, Scott McClendon, Fred Worth, the department chairs, and others who contributed to the newsletter.

Respectfully submitted,

Michael Lloyd, Communications Officer
