

## Competition Decisions

On 29 April 2014 Chair Ron Smith sent the following to the Executive Committee.

It appears that everyone has made their opinions known about the student competitions. I propose that we vote on two different items dealing with the competitions. One item will cover the cost of the Jeopardy competition and whether we will provide a meal for the participants. The other item deals with how much the award will be for the winning team and the winner of the Integration Bee.

If you feel that I have left out any proposals, then please let me know as soon as possible.

Please vote for both Items.

### **Item 1: Student Jeopardy Competition Cost and Meal**

1. Proposal A includes the following actions in regard to the time and entry fee for Jeopardy:
  - The student Jeopardy competition will not provide a meal for the participants. Instead, the competition will begin at 7:00, which allows for everyone to eat before the competition.
  - The entry fee for the Jeopardy competition will be \$15 per team.
2. Proposal B includes the following actions in regard to the time and entry fee for Jeopardy:
  - The student Jeopardy competition will provide a meal for the participants. This will consist of pizza and drinks. The competition will begin at 5:00.
  - The entry fee for the Jeopardy competition will be \$25 per team.

### **Item 2: Student Jeopardy and Integration Bee awards**

1. Proposal A includes (note: these proposals do not include books and gift cards that the winners receive):
  - An award of \$150 per team for the winners of the Jeopardy competition to be divided equally amongst the team participants.
  - An award of \$75 to the winner of the Integration Bee.

2. Proposal B includes:

- An award of \$100 per person on the winning Jeopardy team.
- An award of \$100 to the winner of the Integration Bee.

3. Proposal C includes:

- An award of \$75 per person on the winning Jeopardy team, with a maximum of 3 people per team.
- An award of \$75 to the winner of the Integration Bee.

Please email your decision for each of these results.
