

Revised Cost for Putnam Plaques

On 1 March 2016 Chair Amy Schachle sent the following to the Executive Committee.

Committee:

The Putnam plaques have been completed, thanks to Lisa. However, the total amount, plus tax, comes to \$279.09. Our original proposal approved spending up to \$250. As I understand it (and Lisa can correct me if Im wrong), the amount is higher than the estimated cost because (1) the tax was not included in the estimate, and (2) some of the name plates could not be reused as originally thought.

I would like the committee to vote on whether or not to approve the reimbursement of the extra \$29.09 on top of the original \$250.

Please offer any questions or discussion as needed before your vote.

Thank you,

Amy
