

Cost offsets for Host Institutions

The Section shall make available up to \$300 to help offset costs to each host institution. The host institution must request these funds from the Section Treasurer along with an indication of the allocation of the funds among the following categories: host institution student registrations, host institution faculty registrations, meals which are normally “comped” by the host institution, or other items as approved by the Executive Committee.

Approved by Executive Committee on Friday, March 24, 2023 (7 Yes, 0 No, 1 Abstention).
