MEMORANDUM

TO: Rocky Mountain Section
Department Chairs and
MAA Representatives

FROM: David Ballew *David Ballew*
Secretary
Rocky Mountain Section/MAA

SUBJECT: Newsletter Material

DATE: September 12, 1983

As the Rocky Mountain Section Newsletter Editor, I would like to include more information on the campuses in each issue. This should be especially interesting since the Monthly has stopped its "personal items" column. Could you send me:

- A. Retirements, Major Illnesses and Deaths.
- B. New Hires (former institution interests, etc.)
- C. Promotions
- D. Honors

Further, I would like to spotlight one or two institutions per issue discussing faculty, offerings, number of students, etc., etc. If you would like to write 100-200 words describing your department; its curriculum, its direction and its students, please send it to me. I feel this is one way we can get know each other better.

Finally, if anyone would like to contribute a paragraph or two detailing some significant item, I would be happy to include it. For example; College A is starting a Computer Science Program, Professor X at University B is doing a survey and needs information on M, N, and L., and Professor Y has retired and is looking for a school to which she can donate 15 tons of old journals and books. We might be surprised that lots of our members would like to know about these things.

Please send all items to me at SDSM&T.

-- With Many Thanks
