Dr. David Ballew
Dept. of Mathematical Sciences
South Dakota School of Mines
Rapid City, South Dakota 57701

Dear David,

I'm sure looking forward to working with you this year and particularly following your advise. With your steadfast advise, I'm sure we'll have a good year.

Ed Hawkins of Mesa College has agreed to serve on the nominating committee to help find two candidates for Governor, Chair-elect, Program Chair for Casper Meeting, and a chair of two-year colleges. If you're willing, I'm sure that everyone would be thrilled to have you carry on in the fine tradition that you have established for yourself. I will advise the committee that you're willing unless you notify otherwise. (Please don't, we need you!)

I will plan on attending the Summer Section Officers Meeting at the joint MAA-AMS Meeting in Albany, New York on August 9. Thus I will await correspondence from National MAA, otherwise I will give them a call.

Thanks again for your great assistance.

Sincerely,

Carl M. Kerns
Chair Rocky Mountain Section MAA
