Dr. Robert Gaines
Head, Dept. of Mathematics
Colorado State University
Ft. Collins, CO 80523

Dear Dr. Gaines,

On behalf of the Rocky Mountain Section of the MAA, I wish to express our appreciation for the use of your facilities and your faculty for the recent Rocky Mountain Section Meeting. I particularly would like to commend Prof. Frank DeMeyer for his extraordinary efforts as Program Chairman for this meeting. He did a superb job and did it right; no details were left incomplete.

We appreciate your attending our Friday evening banquet, and we understand the pressures that you "as the highest ranking officer of the University" must be under in these difficult times. Your remarks were well-received and to the point.

Again, thank you very much for the use of your facilities and Robert, we look forward to meeting on your campus again in the future.

Sincerely,

Dr. David Ballew, Sec/Treas
Rocky Mountain Section MAA
