Mr. John Gill
Department of Math
University of Southern Colorado
Pueblo, CO 81001

Dear Mr. Gill:

Most of our membership is interested in what's going on at the other regional colleges and universities. I would like to profile two or three departments in each issue of the Newsletter; or at least pass on information on new hires, promotions, tenure, retirements, etc.

The few profiles we ran last year were very well received.

Can you send me:

1. Two or three paragraphs about your department telling about your program, your faculty, your students, your goals, etc.

Or:

2. Send me:
 - a. New hires
 - b. Tenure and promotions
 - c. Retirements
 - d. Etc.

Thanks,

A handwritten signature in cursive script that reads "David Ballew".
