Dear Vern,

I am enclosing a letter from Carl Kerns of Mesa College with respect to his nomination of Ed Hawkins of Mesa College for a term on the Nominating Committee. Please contact him when your work begins. As you know, Robert Blandford of the University of Southern Colorado is in his third year on the committee, and you as a second year member will be chairman. The committee's duties this year are vast. You will need to find two candidates for governor; you will be contacted by the National Office on that. You will need to find candidates for chairman-elect, program chair (the 1985 meeting will be at Casper College and you should have the program chair from that location), a vice chairperson for two-year colleges (this is a two-year term), and a secretary-treasurer. I am willing to continue as secretary-treasurer if the committee wishes.

Let me know what I can do to help you. As you know, I am always willing to do what I can.

Sincerely,

Dr. David Ballew, Sec/Treas  
Rocky Mountain Section MAA
