Dear Allan:

We were sorry that you couldn't make it to the Air Force Academy MAA Meeting but I can certainly understand the snowstorm. We had 14 scheduled to go but only two of us made it (we got the last plane out of Rapid City on Thursday).

As you might expect, you were the only candidate for Program Chairman and were elected without dissent. I have enclosed some material that might be of interest. After you have a chance to read it, give me a call at (605) 394-2471 and we can discuss next year.

Duane Porter called and asked when the meeting was scheduled for next year. Apparently there is a meeting of the Wyoming teachers at the end of March and he wondered if the two (them and us) could be together. You might call Duane at The University of Wyoming to see what all this means.

The selection of the time of the meeting has traditionally been up to the host institution and the Program Chairman. As you know, we have traditionally met on the last weekend in April. We discussed the possibility of moving our meeting to March along with The Executive Committee Meeting and decided to leave the decision up to you; it depends very much on your facilities. Please let me know what you decide.

Sincerely,

Dr. David Ballew
