Signed: \_\_\_\_\_

THE MATHEMATICAL ASSOCIATION OF AMERICA, INC.  
 1529 18th Street, N.W.  
 Washington, D.C. 20036

REPORT OF NEW SECTION OFFICERS

This report will be used to update the list of officers of your section in the files of the Washington Office and prepare the list published annually in the MONTHLY. New officers listed on this form will be sent a packet of materials designed to help introduce them to the responsibilities of a section officer and inform them of various programs and policies of the Association of direct interest to sections. Therefore, it is important that this form be returned immediately after each election of officers.

According to our records, the officers of your section are as listed below. Please correct any addresses that are incorrect and cross out any names of officers whose terms have expired.
