Professor Walter E. Mientica
Executive Director
American High School Mathematics Examination
Department of Mathematics and Statistics
University of Nebraska
Lincoln, NE 68588-0322

Dear Professor Mientka:

This is to confirm our telephone conversation of September 12, 1984 concerning the appointment of Professor Les Shader, Department of Mathematics, University of Wyoming, Laramie, WY 82071 as Regional AHSME Coordinator for the State of Wyoming, beginning immediately.

I have spoken with Dr. Shader and he has agreed to serve in this capacity. He has been involved in administration and coordinating a Wyoming State High School Mathematics Examination and will do a good job for the AHSME. His telephone number is (307) 766-3351.

If I can be of any help, please contact me.

Sincerely,

Gary Grefsrud, Governor
Rocky Mountain MAA Section
