Dr. Lynn Steen
St. Olaf College
Northfield, Minnesota 55057

Dear Professor Steen:

I'm thrilled that you accepted the Rocky Mountain Section's invitation to be our featured speaker at our spring meeting April 27, 28, at the Air Force Academy.

I'm sure you'll do well as our banquet speaker. All we've ever requested, is that the banquet address be more general and not as mathematical as some spouses will be attending the banquet.

We'll be in contact as more of our plans are formulated. Thanks again for your gracious acceptance.

Sincerely,

Carl M. Kerns
Professor of Mathematics
