Dr. Stephen Bronn
Department of Mathematics
University of Southern Colorado
Pueblo, CO 81001

Dear Dr. Bronn:

I'm looking forward to working with you over the next year. You appear to be a man of ideas and that's important for our Section.

Attached you will find a list of the job descriptions of all the Section Officers plus a copy of the Section By-Laws. I've also attached a current list of the persons available as MAA representatives to the next Section Meeting.

Your first responsibilities are:

1. Appoint someone to a three year term on the Nominating Committee. The current members and their expiration dates are:

Ed Hawkins - Mesa College (1986)
Richard Gibbs - Ft. Lewis College (Chair) (1987)
Your Nominee - (1988)

2. Appoint someone to attend the Section Officers Meeting in Laramie in conjunction with the Summer Joint Meetings. Usually, the Chair attends; but if you can't, you might contact the Chair-elect, Frieda Holley of Metro State. MAA supports this travel through an unreasonably complicated formula that will give you about half of your needs.
3. Begin thinking of whom you would like as the MAA representative for next year's meeting. You need to contact them at the Summer meeting. I might recommend Ken Ross or Al Willcox. We've never had them and I understand they are excellent speakers.

Let me know if there is more that I can do to help you. Of course, if you need any information, please ask. (605) 394-2471.

Sincerely,

A handwritten signature in cursive script, appearing to read "David Ballew".

Dr. David Ballew
Secretary/Treasurer
RMS/MAA
