

UNIVERSITY OF COLORADO, BOULDER

Department of Mathematics

TO: David Ballew and Allan Skillman  
FROM: Rebekka Struik  
DATE: February 7, 1985  
SUBJECT: Casper meeting

Enclosed is some correspondence with Lida Barrett. If either of you have different ideas from mine as to her plans, let me and her know.

Since I am chair of the section, I assume I should draw up an agenda for the business meetings: exec and members. Please send me any items you think should be included. I am assuming there will be a breakfast meeting of the exec and an 8 am meeting of the members on Saturday morning.

I have made inquiries in my own department and at CSU about possible visitors who might be good as speakers in Casper. There doesn't seem to be anyone that can be strongly recommended. Sorry.

Please let me know if there is anything else I should be doing.

Should I bring the Constance Reid tape to Casper?

*Rebekka Struik*

Dear Dave: Someone has been <sup>hand</sup> addressing envelopes to me. Hope the enclosed stickers will help that person.
