Dear Dr. Ballew:

I am writing at the request of Barbara Crews with Casper College, in reference to your Rocky Mountain Regional meeting of the Math Association of America. All of us here at the Hilton hope to have the chance to host your guests and offer you our very best.

The Casper Hilton Inn has a lot to offer an individual traveler, as well as a group of travelers. As you may know, we have 238 spacious sleeping rooms, two fine restaurants, two very nice bars, and an indoor pool and jacuzzi. We also offer room service daily, valet service Monday through Friday and complimentary limousine service to and from the airport everyday.

Barbara mentioned that you will probably have a dinner banquet on Friday, March 29 for approximately 100 people. Below we've prepared several different menus at \$10.00 inclusive (including tax and gratuity).

Tossed Salad with Choice of Dressing
Rolls and Butter
Chicken Ala Romanoff
Rice Pilaf
Green Beans
Apple Pie with Rum Sauce
Coffee/Tea

Please keep in mind that if none of these menus meet your needs, we will gladly tailor a menu exactly to your specifications.

For the individuals coming to Casper from out of town, we will gladly set up a block of rooms at the discounted rate of \$34.00 single and \$40.00 double. For their convenience we will send you postage paid reservation cards (sample enclosed) for you to mail out with your meeting information. Each person who returns the card to us will receive a written confirmation in the mail without ever having to pick up the phone. As an extra, we'll deliver to your room complimentary juice, coffee and the Wall Street Journal when requested with your wake-up call.

Dr. Ballew, if we can be of any further assistance at this time, please let me know. We hope to add you to our list of very satisfied customers.

Sincerely,

Lucy M. Brose
