Professor Rebekka Struik  
Department of Mathematics  
Box 426  
University of Colorado  
Boulder, Colorado 80309

Dear Rebekka:

I understand that reservations on planes to Casper can be difficult to secure because of the limited flights. Can you provide me with a few more details about the time of the meeting. I plan to go ahead and make my plane reservations as soon as I get the meeting schedule.

Sincerely,

Lida K. Barrett  
Associate Provost
