Dr. Rebekka Struik
Department of Mathematics
University of Colorado
Boulder, CO 80309

Dear Rebekka:

I'm pleased that Lida Barrett can come in March; she will do a superb job.

There is one thing more that you need do with respect to arrangements. She will be supported by the National office and I will contact the Casper people about making (and paying for) local arrangements.

I have written Eileen Poiani.

Lida's talks are fine; let's go with these.

I expect the "National Meeting in Boulder" is a misprint and should be "Anaheim".

Thanks for doing such a good job!

Most sincerely,

A handwritten signature in cursive script that reads 'David Ballew'.
