Dr. Allan Skillman
Casper College

Dear Colleagues:

It was great fun to be in Casper. I thoroughly enjoyed the meeting of the Rocky Mountain Section and congratulate you on a well-run meeting, an active section, and enjoyable program.

The structure of your meeting, particularly the cheese and wine party before the banquet, allowed me a good chance to visit with the membership. My meeting with the officers and attendance at the business meeting allowed me to get a clear sense of the operation of your section. I will note in my report to the Executive and Finance Committee the concerns that you wished expressed.

I look forward to seeing all of you at the summer meeting in Wyoming. A personal thanks to each of you for your part in my enjoyable visit.

Sincerely,

Lida K. Barrett
Associate Provost
