Dear Gil:

You may have noted in the latest MAA Focus that our meeting date is listed as April 24-25, 1987. It looks like someone set the date for us.

Approximately 100 persons attended the Section meetings the last three years. I would not plan on more than 150 persons.

We need to have an Executive Committee meeting this fall. Would you mind coming to Denver or should we plan on a conference call? What days of the week would be convenient for you to have a conference call?

Sincerely,

Frieda Holley
