Dear Dr. Ross:

I am currently the Chair of the Rocky Mountain Section of the MAA and have two requests for information.

1. As the Chair, I have the responsibility of selecting a national speaker for the section's meeting. The list of available speakers that I have is dated February 11, 1985. Is there a more current list? Is there a list of the titles of the talks given by the speakers? I would appreciate receiving all the information about speakers that is available.
2. At the Section Officers meeting in Berkeley, someone mentioned that there was an MAA policy on credit for remedial courses. I would like to have a copy of that policy or at least a suggestion as to where I could obtain a copy.

Thank you.

Sincerely,

Frieda Koster Holley
