Dear Sir:

I am happy that you will be able to attend our MAA Spring Meeting in Grand Junction. I have sent your proposals for presentations to our Program Co-Chairs at Mesa College, Professors Ed Hawkins and Carl Kerns. I have asked them to contact you, but, to save time, you might contact them at the College.

I look forward to meeting you.

Sincerely,

Dr. David Ballew, Head  
Department of Mathematics  
and Computer Science
